SALE NUMBER 60
CLOSING DATE
November 23-24, 1984

TERMS OF SALE
(Please Read Carefully)

1. BIDS BY MAIL or PHONE will be accepted until the closing date. All phone bids must be confirmed in writing on a bid sheet. Bids are treated as LIMITS. Bids are reduced where competition permits to within 5% of the second highest bid. In the case of tie bids, the first received is normally given preference. No "buy" or unlimited bids are accepted. Bids are accepted by lot number only. No lots are broken up. Bids are only executed in even dollar amounts.
2. This sale is NOT an approval sale. All material offered is guaranteed genuine and as described. Careful examination has been made of every lot by experts. Cataloging errors will be cheerfully and promptly corrected. FLOOR BIDDERS MAY NOT RETURN ANY LOTS including those purchased while acting as agents. All claims for adjustment by other bidders must be made within five days of receipt but in no case more than 45 days after a sale. As the auction house acts as an agent for various consignors, NO CLAIMS OF ANY KIND can be considered after settlements have been made. If a claim is not made within this 45 day period, no lots are returnable for any reason at any time. If we are notified prior to our settlement date that an opinion of condition, alteration or authenticity is being sought, the matter will remain open until such opinion is rendered. Lots are not shipped until paid for. Therefore, late payment will negate a return privilege. Any returned lot must be in its original holder with seal intact.
3. Successful bidders are required to pay the full invoice amount before lots are delivered. Previously established lines of credit, at the sole option of the auctioneer, may not be honored unless arrangements for this sale have been specifically agreed to in writing by the auctioneer. Please contact us in advance if you have any questions regarding your purchasing plans. First rate credit references or a 25% deposit are necessary to insure entry of your bids. Any portion of such a deposit not used will be promptly refunded after the sale.
4. A 10% buyer's charge will be added to the successful bid price of each lot. This 10% buyer's charge will be added to the invoice of each successful bidder without exception, and is payable by the buyer as part of the total purchase price. Additionally, 1½% monthly interest is charged on all accounts 30 days past due calculated from the sale date. If any awarded lots are still on hand without a deposit 30 days after a sale, they will automatically be offered to the underbidders or relisted in the next available sale. The difference in price will be billed to the former top bidder. Late payers should not expect to receive future catalogs.
5. TERMS OF THIS SALE ARE STRICTLY CASH AND MUST BE PAID PROMPTLY IN U.S. FUNDS. Payment should be made immediately upon receipt of the invoice. Payments from foreign accounts must be made in U.S. Dollars by International Check drawn on a U.S. bank or by wire transfer to the account of Joseph L. Lepczyk, c/o East Lansing State Bank. As a convenience, invoices may be charged to VISA or MasterCard accounts provided the purchaser agrees to pay an additional 2½% handling charge. Please supply account number, signature and expiration date at the bottom of your Bid Sheet.
6. POSTAGE, INSURANCE and/or handling fees are added to ALL SHIPMENTS. All lots to be mailed to addresses not in the United States of America or its Territories, are charged an additional 1% insurance fee unless insurance is provided by the bidder. Overseas bidders must supply full detailed shipping instructions and agree to all terms as listed herein before shipment is made. We normally use registered air mail with return receipts and green custom tags on overseas shipments.
7. SALES TAX will be collected under the laws of the state in which the sale is conducted unless a valid resale number is presented.
8. TITLE TO ALL LOTS REMAINS WITH THE AUCTION HOUSE until payment in full is received. The auction house reserves the right to accept or reject any or all bids at its discretion. Generally, bids below 50% of estimate will not be accepted. By placing a bid in this sale, you agree that this agreement is made in Michigan by the auction house's entry of your bid, and that disputes concerning the agreement shall be decided by the application of Michigan law. In the event of a dispute or nonpayment, the auction house may elect to proceed judicially, in which case the bidder consents to jurisdiction and venue in the courts of Ingham County, Michigan. If an account is referred to an attorney for collection, the buyer agrees to hold the auction house harmless and to indemnify it for all costs of collection, including actual, reasonable attorney's fees, with interest as provided in Paragraph 4 accruing on the entire amount until paid.
9. BIDDING IN THIS AUCTION SALE CONSTITUTES ACCEPTANCE BY THE BIDDER OF ALL THE FOREGOING TERMS OF SALE.

FOR SALE INSTANT COPY CAMERA

Your own "Jiffy Camera Shop" can produce within minutes, pictures of coins, stamps and make permanent records of these valuables in the privacy of your own home, office or on a bourse floor.

Our "Custom-Sixty" Polaroid Coin and Stamp Camera Unit, with its own light source, will become a favorite part of your hobby. Did you ever need a picture on a Saturday night? After going out for film, taking amateurish pictures, waiting for them to come back from the shop a week is shot.

With the mobile "Custom-Sixty" Polaroid Unit, one inserts the film pack, places the coin, turns on the light switch, clicks the shutter and in the time of a television commercial, your photo is developed, ready for mailing or ready for you to move onto your next project. These photos are useful in offering an item on approval or for illustrating a catalog or display ad. This self-contained unit is pre-focused.

This portable unit uses Type 87 or 107 Polaroid black and white film. The size of the print of the 107 film is $3\frac{3}{4} \times 4\frac{1}{2}$ inches. This handy camera is not designed for producing color prints or reductions/enlargements. The complete unit measures $5\frac{1}{2} \times 11 \times 11$ inches.

Joseph Lepczyk International Auctions is the sole distributor of this unit. These units are not available from your local camera store.

Separate cameras must be requested for 110 or 220 volt connections. The price for the 110 volt is \$200 postpaid and the 220 volt unit (usually needed overseas) sells for \$255 postpaid including air parcel post fees.

HOT AIR PAGE

Welcome to the Annual Fall Convention of the Michigan State Numismatic Society. Our cordial Seasons Greetings. We hope you can personally attend this convention and our auction. Attendance and business activity is always brisk at this convention. For those bidding by mail, please try to send your bid sheet in early, in part, due to the holiday mail delays.

We will be displaying lots from the MSNS Auction at our TICF table in Toronto. This year the New York International Convention and the related activity follows immediately after our auction. For those traveling from the West Coast or from overseas, it would be profitable to include the MSNS Convention on your agenda. Look over the catalog and make your decision.

Since last Spring, we have been building up ancient consignments for auction. The offering in this catalog is almost as large as that in our 1982 MSNS sale. We are planning on conducting another ancient auction in Chicago this coming March.

High grade U.S. type coins continue to be in strong demand at auction. For example, the MS-60, 1795 Half Cent in our recent October sale sold for \$16,500, including the buyer's fee, setting a new record. Our current sale has some especially nice half dollars. When these were consigned, they were still in their original envelopes from the 1930's with \$1.25 price tags. We can always use impressive U.S. coins and do appreciate the opportunity to sell these at auction.

We are strictly enforcing our policy of not delivering or shipping lots prior to payment. The only exception on our shipment policy is to consignors. There is a return privilege extended to mail bidders on a full refund basis. Please do not bid if you can not pay. Payment is due upon delivery of lots and as such, credit is not extended to floor bidders.

Beginning in October, George Beach and Joseph Lepczyk formed a separate numismatic firm which will have an active bourse schedule. The convention schedule of Beach & Lepczyk Associates is posted on the facing page. We will be actively appraising collections for auction or purchase at conventions plus offering material for direct sale at these shows. Consignments can be delivered to our bourse table for future auctions. Consignments are insured for full value immediately upon receipt. We also will be displaying highlights of Joseph Lepczyk Auctions upcoming sales. Please stop by our table and say hello to George or myself or one of our assistants.

A "Want List Form" is enclosed with this catalog. We will actively be following up and serving want lists at all the shows we attend. We expect to have our want list service computerized early this coming year. With our convention schedule and the number of auction catalogs we receive, we have exposure to massive amounts of material which allows us to service your want list needs. We do handle quite a bit of material from collections coming in on a daily basis, some of which can be sold outright. As you may be aware most of the material appearing in our auction catalogs is on consignment.

Season Greetings,

Joseph Lepczyk and Staff
